About The Director, Founder & Mentor

Mr. S. K. Singh, the Founder & Director of Vidya Kendra has been immensely popular among students since 1994. He excelled in IIT-G by securing AIR (All India Rank)-05 and secured AIR-02 in BARC, Bombay entrance examinations. He also cracked the F.M.S. entrance exam. He is a master of versatile personality who truly epitomizes the concept of an ideal coach, as visualised in traditional Indian society, like a Guru or the enlightened one, who is a friend, philosopher and guide. Twenty-Three years of distinctive experience and self developed Tricks and Techniques widely popular as the 3-SIT (3-Second Innovative Technique) completely transform the understanding of the students and prepare them to face and overcome their challenges.

Mr. Singh has been honored with several awards including the "Shiksha-Ratna" and numerous appreciation letters from top stalwarts of the nation including Dr. A. P. J. Abdul Kalam.

He has been a Topper of GRE (Graduate Record Examination), GMAT (Graduate Management Admission Test) and has received opportunities from many renowned international universities such as MIT, Harvard, Kellogg, Wharton and Stanford.

However, he started Vidya Kendra to realize and cherish his lifelong dream of imparting quality education. His mission is to create an era of quality and sustainable education and thus to transform the young children of India into progressive and productive national assets.

Vidya Kendra is one of the best coaching centres in Delhi for various exams such as AIIMS / NEET / other PMT. The institute provides the best platform for the preparation of the aforesaid exams to students with the help of its self developed methods which have been proved to ensure success.

In the visionary direction of Mr. S.K. Singh, the institute provides not only an unprecedented quality of education but also supports it with a conducive infrastructure for constructive learning and growth. He often says...

*"Teaching is not just a profession,
But also a mission,
It requires complete devotion."*

AIIMS

The Entrance Examination for All India Institute of Medical Sciences, New Delhi and six other AIIMS will be conducted through Online Computer Based Test (CBT) Examination ONLY. The Examination is proposed to be conducted in two shifts in different centres all over India on Last Sunday (in general) in May.

The duration of the examination shall be **3½ hours (three hours and thirty minutes)**. The Online (CBT) Entrance Examination will be conducted in **two shifts**: Morning Shift / First shift : 09:00 AM to 12:30 PM Afternoon Shift / Second shift : 03:00 PM to 06:30 PM. The examination centres are **tentatively** proposed in **171 cities all over India**.

TYPE OF PAPER

The Competitive Entrance Examination will have one paper consisting of 200 Objective Type (Multiple Choice and Reason-Assertion type) questions from Physics, Chemistry, Biology and General Knowledge / Aptitude. The distribution of questions is :

Physics **60**, Chemistry **60**, Biology (Botany & Zoology) **60**, General Knowledge/Aptitude **20**

STANDARD OF EXAMINATION

The general standard of the Competitive Entrance Examination will be that of 12th class under the 10+2 Scheme / Intermediate Science. No syllabus has been prescribed by the Institute for the examination.

LANGUAGE OF QUESTION PAPER

Automated Question paper will be provided either in **English or in Hindi** according to the choice of candidates. Applicants must choose / indicate in the application form whether he/she prefers to have the question paper in English or Hindi. This choice cannot be changed later at any stage.

SCHEME OF MARKING

Each correct response will get a score of 1 mark. Each incorrect response will get a score of - ¼ (minus-one-third). No credit will be given for the questions not answered or marked for review.

MINIMUM CUT-OFF SCORES

In accordance with decision of the Governing Body, AIIMS, New Delhi dated 26.11. 2009 and the past practice adopted by AIIMS, New Delhi, the minimum cut-off necessary in the Entrance Examination to determine eligibility for admission is: Since the examination will be held in two shifts and a Normalization Procedure will be used. The Percentile score corresponding to the above cut-offs will be used to determine eligibility. In the event of the percentiles for the two shifts being dissimilar / unequal, the lower of the two will be the eligibility cut-off for that category for all candidates (i.e. both shifts). For example if the 50% marks correspond to a Percentile score of 90 in Shift 1 and to a Percentile score of 88 in shift 2 then all those equal to or above 88 Percentile (Percentile score of 100 to 88) in both shifts will become eligible in General Category. Similar method will be adopted for the other categories to determine eligibility cut-offs.

NORMALIZATION PROCEDURE

This year, since there would be two shifts, a Normalization Procedure is being adopted as decided by experts based on analysis of past MBBS Entrance Examinations conducted by AIIMS, New Delhi. This will be utilized to decide on the inter-se merit / ranking [used during Counseling for allotment of seats] between those who appeared for the examination. The normalization procedure that will be adopted is based on PERCENTILES.

PERCENTILE SCORES

Percentile scores are scores based on the relative performance of all those who appear for the examination. Basically the marks obtained are transformed into a scale ranging from 100 to 0 for each group (shift) of examinees. The Percentile Score indicates the percentage of candidates that have scored EQUAL TO OR BELOW (same or lower raw scores) that particular Percentile in that examination. Therefore the topmost (highest score) of each group (shift) will get the same Percentile of 100 which is desirable. The marks obtained in between the highest and lowest scores are also converted to appropriate Percentiles. The Percentile score is the Normalized Score for this examination.

Eligibility

Age: Should have attained or will attain the age of 17 (seventeen) year as on the 31st of December of the year of taking the exam.

Essential Academic Qualification

Should have passed the 12th Class under the 10+2 Scheme / Senior School Certificate Examination (CBSE) or Intermediate Science (I.Sc.) or an equivalent Examination of a recognized University / Board of any Indian State with ENGLISH, PHYSICS, CHEMISTRY and BIOLOGY as subject.

Candidates who have appeared or are appearing at the qualifying Examination with English, Physics, Chemistry and Biology as main subject and expect to pass the Examination with required percentage of marks (The minimum aggregate of the marks in ENGLISH, PHYSICS, CHEMISTRY and BIOLOGY obtained in the qualifying examination required for appearing in this examination are :

General and OBC candidates: 60% SC / ST / OPH Candidates: 50%) are also eligible to apply and appear in the Competitive Entrance Examination. However, their candidature will be considered only if they provide documentary evidence of having passed the qualifying Examination with the required subjects and percentage of marks.

If the Institute has to consider an Examination of an Indian University or of a foreign / university to be equivalent to the 12th class under 10+2 scheme / Intermediate Science Examination, the candidates shall have to produce a certificate from the concerned Indian University/Association of the Indian Universities to the effect that the examination passed by him/her is considered by them to be equivalent to the 12th class under 10+2 scheme / Intermediate .

No. of Seats (Category wise) in all 7 AIIMS

Name of Institution	Total seats	UR	OBC	SC	ST
AIIMS, New Delhi	72	37	19	11	5
AIIMS, Bhopal	100	50	27	15	8
AIIMS, Bhubaneswar	100	50	27	15	8
AIIMS, Jodhpur	100	50	27	15	8
AIIMS, Patna	100	50	27	15	8
AIIMS, Raipur	100	50	27	15	8
AIIMS, Rishikesh	100	50	27	15	8
TOTAL	672	337	181	101	53

*3% OPH reservation as per rules will be provided in each institute.

SUMMARY OF EXAMINATION PATTERN

01	Mode of Examination	Computer Based Test (CBT) [Online]
02	Duration of Examination	3½ hours (Three hours and thirty minutes)
03	Date of Examination	Last Sunday of May (in general)
04	Number of Shifts	02 (Two)
05	Timing of Examination	First Shift : 09.00 AM to 12.30 PM Second Shift : 03.00 PM to 06.30 PM
06	Allocation of shift	Random
07	Location of Examination Centres	Tentatively 171 cities in India
08	Language of Paper	English / Hindi
09	Type of Examination	Objective Type
10	Number of Questions	One Paper of 200 (Two hundred)
11	Type of Objective Questions	Multiple Choice Questions (MCQs) Reason Assertion
12	Distribution of Questions	Physics : 60 Chemistry : 60 Biology (Botany & Zoology) : 60 General Knowledge : 20
13	Distribution of Type of Questions	MCQs : 140 Assertion & Reason : 60 [All subjects except General Knowledge /Aptitude]
14	Marking Scheme	Correct Answer : One mark (+1) Incorrect Answer : Minus one-third -(1/3) Unanswered / Marked for Review : 0
15	Method of Cut-Off	Percentile corresponding to following Percentages : General 50%, OBC (Non-Creamy Layer) 45%, SC /ST 40%. In case percentile of both shifts are unequal the lower percentile of both shifts shall be the cut off.
16	Method of determining merit	Overall merit by merging of Percentiles of Total scores of both shifts [First & Second shifts]
17	Method of resolving ties	In the following order: Percentile in Biology Percentile Chemistry Percentile in Physics Seniority by age

NEET

National Eligibility cum Entrance Test (NEET) for Admission to MBBS / BDS Courses NATIONAL ELIGIBILITY CUM ENTRANCE TEST (UG) is applicable for admissions to the following - (i) All India Quota Seats. (ii) State Government Quota Seats where the State Government concerned so opts. (iii) Private/Management / NRI Quota Seats in all Private Medical / Dental Colleges or any Private / Deemed University. The Central Board of Secondary Education shall be the organization to conduct National Eligibility-cum-Entrance Test for admission to MBBS / BDS courses. In view of the above, the Central Board of Secondary Education, Delhi will be conducting the National Eligibility Cum Entrance Test for admission to MBBS / BDS Courses. The responsibility of the CBSE is limited to the conduct of the entrance test, declaration of result and providing All India Rank to the Counseling Authorities/Admitting Institutes. The counselling for successful candidates under 15% All India Quota seats is conducted by the MCC / DGHS. The counselling for admission in seats under the control of other States / Universities / Institutions shall be conducted as per the notifications issued separately by the authorities concerned. During counselling, the eligibility criteria, self-declaration, various documents, etc. of the eligible candidates shall be verified as per norms specified by the respective authorities and Medical / Dental Colleges.

Pattern of the Entrance Test:-

The Entrance Test shall consist of one paper containing 180 objective type questions (four options with single correct answer) from Physics, Chemistry and Biology (Botany & Zoology). The duration of test would be 3 hours.

Language of the Question Papers:-

(i) Candidates can opt for Question Paper either in English or in Hindi. (ii) Option of medium of Question Paper should be exercised while filling in the application form and the option once exercised by candidates cannot be changed later. (iii) Candidates opting for English would be provided Test Booklet in English only and the candidates opting for Hindi would be provided Bilingual Test Booklet i.e. in Hindi and in English. (iv) In case of any ambiguity in translation of any of the questions, its English version shall be treated as final.

Scoring and Marking

(a) Each item carries 4 marks. For each correct response the candidate will get 4 marks. For each incorrect response one mark will be deducted from the total score. No deduction from the total score will, however, be made if no response is indicated for an item in the answer sheet. The candidates are advised not to attempt such item in answer sheet, if they are not sure of the correct response. More than one answer indicated in a question will be deemed as incorrect response and will be negatively marked.

Eligibility for 15% All India Quota Seats

(a) He / she has completed age of 17 years at the time of admission or will complete the age on or before 31st December of the year of his / her admission to the 1st year MBBS / BDS Course and is an INDIAN NATIONAL. (b) The upper age limit for candidates seeking admission under 15% All India Quota Seats is 25 years as on 31st December of the year of the entrance examination. Further provided that this upper age limit shall be relaxed by a period of 5 (five) years for the candidates of Scheduled Castes / Scheduled Tribes/Other Backward Classes.

Crash Course for NEET (for 12th appearing / pass students)

Vidya kendra has a very virtuous background in schooling along with the inspiring students for various competitive exams. We are known for our simplified teaching and highly qualified mentors who always strives for students success. Our methodology revolves around shaping their overall thinking ability – developing their acumen towards the field of Medicines. On the completion of the course students are so prepared that their result itself speaks about the accomplishments after their exam. Success is guaranteed in Vidya kendra – the only institute with a record of 92% success rate, if somehow some students marginally miss their desired goals, they excel in other equivalent fields. The good ranks in the entrance exam but failure is not achieved by anyone. All the credit goes to students hard work and learning environment provided by Vidya kendra and also the blessings of Goddess Saraswati.

Course structure : Extensive approach for all the subjects is used to clear concepts on every topic and Tricky approach is followed to make the concepts memorable for each and every student. Classes are conducted 4/6 days in a week and weekly performance test is also taken to analyze their shortcomings if any. Good scorers are encouraged by prize distribution every week whereas low scorers are given ample time to strengthen their weakness in any particular area.

Syllabus is completed well enough in time and thorough brush up is given of the whole syllabus thereafter.

Admission process :

As we do not have tendency to select cream out of cream and all students are treated equally however we emphasize on picking the weak students (to make them excel in their field) as our conceptual, tricky as well as memorable approach) from bottom to top by our intensive approach as anybody can be a topper by the strategy we follow and teach. At first, We give Short syllabus of student's choice to prepare for our Admission cum Scholarship Test. Then we take test and offer scholarship accordingly. Sometimes a few meritorious students do not perform well especially if they are not of good schools. He / She will be taught concepts and will be given extra classes. We will select the students who are good in their field. We will go for the students who are good in their field. We select but this happens rarely. On that basis test will be taken to see the performance of the students, accordingly the admission and fee concession will be given to the meritorious students.

1 or 2 Year Programme For AIIMS / NEET (Before Class X / XI Result)

Regular Course	1 or 2 Year Programme for AIIMS / NEET / Other related Exams (Before Class X / XI Result)
Starting From	2nd April
Ending on	January last week
Timing of Classes	4 / 5 days a week for weekdays & Sat. & Sun. for weekends
Teaching hours per day	3 hours for weekdays & 6 hours for weekends
Tests	Weekly Mock Test & Test on Board Pattern
Admission Process	Direct admission on the basis of marks in previous class or through Admission Cum Scholarship Test

Course Description :

The entire syllabus is covered in this short period by the best professors. Final countdown course with the most powerful punch of teachers from all over India. Students who have completed their course with other institutes but feel the need for more professional guidance to see them through the examinations. Students who have just appeared their XII and feel they can try at the entrance examination.

To give the students feel of the actual exams, we will be conducting Mock tests for NEET / AIIMS, through which child will get to know his rank and analyse his performance for further improvement.

*There will be no break for students attending Crash Course from Repeaters Batch.

Foundation Course for Olympiads, NTSE, KVPY & Class VIII / IX / X

Foundation Course	3 / 4 / 5 Year Programme for NTSE / KVPY / Olympiads & class VIII / IX / X
Starting From	2nd April
Ending on	January last week
Timing of Classes	3 days a week for weekdays & Sat. & Sun. for weekends
Teaching hours per day	2 hours for weekdays & 3 hours for weekends
Tests	Weekly Mock Test & Test on Board Pattern
Admission Process	Direct admission on the basis of marks in previous class or through Admission Cum Scholarship Test

Crash Course for AIIMS (for NEET appeared / Passed)

Crash Course (120 hours) of AIIMS starts next day of NEET, All Top Faculty of our institutes work for this batch, they follow especially designed study material to give the best. Hence we produce superb, unbeatable, percentage success rate year after year. Fee for this course varies from 9000 to 14000 depending upon students performance in NEET and No. of hours given in the class. Here, Faculty works till last moment of the Exam.

Course	For	Duration	Fee*
Regular Course	XII Studying / Pass	1 Year	1,22,000/-
Regular Course	XI Studying / X Pass	2 Year	2,25,000/-
Foundation Course	XI / XII (NCERT-Based)	1 or 2 Year	63,000/- per yr.
Foundation Course	X / IX / VIII Studying	3 / 4 / 5 Year	36/32/27,000/- per yr
Bridge Course	XII Studying / Pass	4 / 5 Months	45,000/-
Crash Course	XII Studying / Pass	180 / 270 hours	21,000/-
Test Series	VIII to XII	Weekly / Fortnightly	27,00/-

Fee + Service tax (15 %) payable through any mode at one time or in installments. However, We provide scholarship upto 90 % to poor & Meritorious Students.

How to prepare for AIIMS / NEET

Only an IITian can help you with the tips & guidelines on how to prepare for AIIMS/NEET as it is known as one of the world's toughest exams sometime in the past. We at Vidya Kendra, Our academic panel comprises IITians and veterans in the field of education, offers invaluable AIIMS Preparation tips to the Med. aspirants as to how to prepare for AIIMS. So read the article carefully and follow the AIIMS preparation tips all the way to success.

Tips for AIIMS / NEET Preparation

1) Choose Best Faculty & Excellent Study Material

Study Material plays very important role while preparing for AIIMS / NEET. Text books, objective question & numerical all are equally important. You need proper guidance for each & every section. Here, you need superb mentor.

2) How Many Hours Should You study?

We cannot say fix specified number of hours for the students but every day close to 4 to 5 hours of self study after attending school and coaching classes, can be considered optimal.

3) Choose best Coaching Institutes:

The best coaching institute comes in often larger batch size, and minimal the personal attention for each student. You are going to join AIIMS Preparation, here personal attention is very much required to crack the exam. Even if you join coaching try not to deviate yourself from your studies and consistently focus in the class and revise the same at home or hostel.

4) Managing Class 12th Board & AIIMS / NEET preparation:

If you don't plan well it can get really rough. So always plan in advance and a plan is of no use if not executed well!! Here are given some small tip on how to prepare for PMT and at the same time manage both Boards and AIIMS Preparation. Study every day, and prepare even more rigorously on the weekends, fix a time for AIIMS preparations and along with 1 or 2 hours daily for 12th board exam. In this way you are prepared for both at the same time.

5) Work Hard yourself with your regular study timetable:

If you really want to know how to prepare for PMT then this is the way you are supposed to go about the AIIMS preparation process. You have to work hard no matter what you gain if your hard work is rewarded. Just try it there's no harm in trying. You need to sacrifice a lot so better be prepared.

Other info (If any)
